

ColourStar #114 – Entrance Matting

Features and benefits (Launderable) – 8 mm Thick

- Our ColourStar mat features solution dyed nylon yarn. Solution Dyed nylon yarn offers superior colour fastness and resistance to UV exposure.
- In addition to these benefits, these mats have a built-in anti-static feature to provide permanent protection against harmful static electricity.
- 100% nitrile rubber backing ensures the mat lays flat and does not curl.
- The nitrile rubber backing is skid, oil and grease resistant.
- Crush-resistant pile traps dirt better, and extends the performance life of the mat.
