

EnviroPlus #2202

Entrance Mat — 6.5mm thick

Features and Benefits

- EnviroPlus has a recycled PET carpet face and recycled tyre rubber back making this wiper mat an excellent “Green” choice.
- Wipes off moisture and finer dirt particles while providing protection for floor surfaces.
- Perfect for use as a Wiper Mat in a 3 mat entrance system.
- Use as a spill control and floor protection mat at water fountains, break areas, food counters, hallways and other interior applications.
- Carpet face is UV resistant and anti-static.
