

Waterhog Fashion Drainable No. 250 - Entrance Mat

Features and Benefits

- Anti-static polypropylene fibre system dries quickly and won't fade or rot. When wet, the rubber reinforced surface allows water to be wicked to the bottom of the mat away from foot traffic while providing a slip resistant surface.
- Colourfast: solution dyed for excellent light fastness.
- Exclusive rubber reinforced face nubs prevent pile from crushing in high traffic areas, thereby maintaining high performance and extending product life.
- Not adversely affected by salt or ice melt.
- Green friendly rubber backing has 20% recycled rubber content and is available in smooth or cleated types.
- Ideal for use in computer rooms, around electronic equipment, shopping centres, banks, hotels, offices, restaurants, healthcare, supermarkets and more.
- Highly durable and attractive fashion border makes it the perfect choice for indoor or outdoor applications
