

# Kneeling Comfort Mat #343

## Dry Area Anti-Fatigue Mat -22mm thick

### Features and Benefits

- The Kneeling Comfort Mat is ideal for occupations that require kneeling as it reduces knee trauma and lower back stress.
- This mat will not absorb liquids and has a built-in handle that makes it convenient to carry and store.
- Designed for construction workers, technicians, mechanics, engineers, utility workers, manufacturers or anyone who is needed to move from place to place to carry out work.
- Cleans easily with soap and water.
