

Safety Scrape™ No. 400

Wet Area Anti-Fatigue Mat – 3mm thick

Features and Benefits

- Heavy durable Safety Scrape mats work wonders in environments where traction is essential.
- In kitchens, locker rooms, on inclines, behind lunch counters and bars, production areas, outside entrances and produce areas.
- Constructed of 100% nitrile rubber for oil and chemical resistance.
- Moulded face cleats act as scrapers to remove heavy dirt and soil from shoes and provide an excellent anti-slip surface.
- Anti-skid gripper backing - anti-static and UV stable.
- Green friendly and has 20% recycled rubber content.
- All Safety Scrape mats are certified slip resistant by the National Floor Safety Institute.
