

Clean Stride Mat No. 410

Speciality Mat – 10mm thick

Feature and Benefits

- The Clean Stride mat provides highly effective dirt and dust removal method for factories, computer rooms, clean rooms, warehouses, school gymnasiums, healthcare facilities and more. As foot traffic passes over the mat, the Waterhog surface scrapes larger particles while the adhesive insert captures smaller dust & dirt and stops them from being tracked in.
- With two footsteps on Clean Stride adhesive insert, over 90% of dirt particles are removed.
- The Clean Stride adhesive insert is comprised of 60 layers of adhesive coated film. Each layer will perform many times before it must be peeled away. Each layer is numbered to ensure one sheet at a time removal and to indicate the remaining layers.
- Green friendly rubber backing has 10% - 15% recycled rubber content

Mat Specifications

Uses: Anywhere dirt contamination is a hazard.

Compound: Mat - Yarn: Solution Dyed

Polypropylene

Backing: SBR Rubber

Insert: Tacky Polyethylene Film

Thickness: 10mm

Edges: Bevelled

Warranty: Mat - 3 years, conditional

Colours: Charcoal, Evergreen, Red/Black

Available In Stock Sizes Only*

647mm x 1613mm (frame)

600mm x 760mm (insert)

Frames and inserts are sold separately.

(* Sizes are approximate only.)
