

Cushion Max #413

Dry Area Anti-Fatigue Mat – 16mm thick

Features and Benefits

- Constructed of 100% nitrile/PVC closed cell foam to provide superior anti-fatigue mat properties for employee comfort and ergonomic benefits.
- The diamond patterned surface is more than twice as durable as traditional PVC foam mats and helps to reduce slip and fall accidents.
- Ideal floor mat for warehouses, picking lines, assembly lines, workstations, checkout counters and laboratories.
