

Traction Hog Drainable #4419

Features & Benefits

New to The General Mat Company this mat has a slip resistant surface with silicone carbide coating for maximum performance. Perfect for wet and oily applications.

Traction Hog Drainable is an anti-static mat, made with 100% grease proof nitrile rubber, UV stable and a low profile border mat with drainage holes.

Special disk-shaped backing design ensures that this floor mat will stay in place.

This mat is ideal for food services, wet and slippery manufacturing areas, walk-in coolers and freezers, oily areas and any other area that requires a slip resistant surface.

All Traction Hog mats is a USA made mat and is certified slip resistant by the National Floor Safety Institute.
