

24/Seven Holes #572

Wet Area Anti-Fatigue Mat – 15mm thick

Features and Benefits

- 24/Seven Holes is named for its ability to work twenty-four hours a day, seven days a week to keep your employees comfortable and is exceptional value.
- This 15mm thick, single workstation mat has a hidden interlocking system designed to connect on all four sides making it perfect for covering large areas.
- For easy trolley access and extra employee safety, attach the 75mm wide safety bevelled edge.
- For all general purpose applications - defined as dry or areas with water or debris.

Customised Mats

If you have special contours or a large size, let us make it for you. Customised sizes of 24/Seven Holes mats are permanently locked together. The mats can be cut at 300mm increments and customisation is only limited by weight and shipping requirements.
