

Glow Hog #846 – Entrance Mat

Entrance Mat – 3mm thick

Features and Benefits

- The Glow Hog mat is good for use in any facility where emergency conditions may cause a reduction in light for evacuation or after hour access.
- Made of 100% nitrile rubber to ensure long performance life.
- Recessed glow in the dark directional arrows glow for over 2 hours after lights go out and are recharged once lights are restored.
- The moulded slip resistant top provides a safe walking surface.
- Green friendly rubber backing has 20% recycled rubber content.
- Certified slip-resistant by the National Floor Safety Institute.
